The screenshot shows the website www.zuerich.ch with a blue header. The header contains the Zurich coat of arms, the word "Zürich" in large white letters, and the text "Information page Switzerland". Below the header is a navigation menu with "Inhalt", "Ausschreibung", and "Home www.zuerich.ch". The main content area features an article titled "www.zuerich.ch: Abschluss Ideen-Wettbewerb". The article text states that the competition for the redesign of the www.zuerich.ch portal is over, with "Generator New Media Switzerland" winning the first prize. It also mentions that 43 submissions were received and 11 winners were invited to present their ideas. The second prize went to Embassy & Collective Intelligence from Berlin, and the third to Crealogix AG from Bubikon. At the bottom of the article are links for "Artikel versenden" and "Artikel drucken". A date bar at the bottom right of the page shows "19.11.2004".
